Ağaççamı Ortaokulu — Mehtap / Yasin DÜLGER

HOW TO RECYCLE HOUSEHOLD BATTERIES:

1

SEPARATE spent batteries from ordinary household waste. Household dry cell batteries include AA, AAA (single use or rechargeable), C, D, button batteries, 9V and 6V.

2

FIND a battery recycling bin near you - **CLICK TO OPEN A LISTING**

For other locations, visit

WWW.ZEROWASTEWA.COM.AU

CLICK for More Info

3

PLACE your batteries loose into the recycling bin. Batteries are easily and safely deposited through a slot in the lid.
