YOUR  
UTOPIA

## **The name of the Project: DreamLand**

**Outcome:** Students will be able to recognize the distinct cultures around the World.

### **Procedure:**

**Students will search the cities such as Tokio, Dubai, Sydney, Stockholm, Sarajevo, Brugge, Lisbon, Moscow, Helsinki, Edinburg, Oslo, Chicago.**

**Then, they will choose the features which they want.**

**At the final stage they will create their own land with these features.**

### **Our expectation:**

Students will meet new cities with cultures and this will effect their perception. Also, with this way they will have a chance to present their imagination.
